

# ***Living With Wildfire: Making your Home More Fire Safe***

Saturday, June 1, 2013  
Weaverville Fire Hall  
Bremer St, Weaverville  
9:00 am – 1:00 pm

Sponsored by:  
UC Cooperative Extension  
Weaverville VFD  
Trinity County RCD

## Topics & Speakers:

*Be Prepared for Wildfires:* Steps that will help you and firefighters respond to wildfire threats – Scott Alvord, Weaverville Fire Chief

*Making your Property Fire Safe:* Wildfire behavior and defensible space – Ryan DeSantis, UC Cooperative Extension Forestry Advisor

*Making your Home Fire Safe:* Learn about your home's most vulnerable parts and what you can do to improve the odds that your home will survive a wildfire – Faith Berry, Firewise Communities

*Insurance Agent Panel:* Get the latest information on insurance company concerns and issues.

*Resources for Homeowners:* Find help with chipping, defensible space and other fuel reduction activities – Pat Frost, TCRCD

*House Fire Demonstration:* Ignite & burn walls made with combustible and noncombustible siding. Watch a demonstration of the effect of fire retardant gel.

The workshop is free. Refreshments and deli lunch provided.

Pre-registration is requested for meal planning purposes. For more information or to pre-register, call Carol Fall, UC Cooperative Extension at 623-3746 or email [cjfall@ucanr.edu](mailto:cjfall@ucanr.edu).
