

Trinity County 4-H Council
Emergency Budget Meeting

Meeting was called to order by President Jennilea Brookins on 11/11/13 at 6.42pm at the Hayfork office.

Attendees were Maleah McQuade, Joan Gross, Jennilea Brookins, Kathy Johnson, Dennis Johnson, Nate Caeton, Shea Johnston, Tess Johnston, Heidi Johnston, Rhonda Noland, Mike Noland and Shannon Taylor(via teleconference).

State Leadership Conference fee was taken down from 500 dollars for each youth, to 250 dollars each youth and a max of 1,000.

Clubs are still asked to make a donation to council on top of recent enrollment increases to keep the Council budget from going negative.

A motion was made and seconded to pass the 2013-14 Council budget with additional corrections. Motion passed with no opposition.

Council thinks it is a reasonable expectation for each club to host one county event minimum during the program year to be an active club.

Pin sales have been revoked because donor of pins would like the pins to be given out to kids and not have to pay for them. Council can't use them for fundraising. If your club needs pins, then please contact Nate or Kathy for a time to see what is available at the office.

Meeting Adjourned at 7:29 pm
