- * Oliver Fargo did his on different types of volcanoes. We all enjoyed that he had so many different facts.

- * Cadence Willburn did her presentation on her breeding lamb project
- * Keya Abbasian did a presentation on her lamb project

- * Timberlyn Morss did hers on her Lion Head Rabbit project
- * Elaynah Fuhrman presented on her California Rabbits and all you need to know about raising your bunnies at home
- * Caroline Simones did hers on the States of America and all she learned about Texas
- * Lydia Yarbrough did hers on the rules of volleyball, then she was on her way to the Fuzzy Goat show in Anderson
- * Shiloh Perras from Bridgeville 4-H did hers on Rabbits over the internet. She was very knowledgeable about her rabbits.

I would like to thank my judges Jenna Thomas, Susan Bray and Jo Hay for spending their day to judge all of our presenters. We had a great lunch and awards were given out.

Recent County Event: Small Animal Field Day

A report from Hayfork Timberjacks 4-H Club Leader Kathy Johnson:

Hayfork Timberjacks 4-H and Southern Trinity 4-H club members hosted the 2nd annual Small Animal Field Day and Avian Judging Day on April 22, 2023 at Trinity County Fairgrounds in the Small Animal Barn.

4-H members from across the county attended and judged poultry classes, demonstrated rabbit showmanship, and shared information about keeping project animals safe, clean and healthy. Club Leader Ronie Millsap presented information about turkey projects, show animal projects, market animal projects, and how the small animal barn operates during fair. Volunteer Michelle Gamlen led a poultry showmanship clinic and organized the adult showmanship demonstration for youth to judge. Teen Leader Lydia Yarbrough from Southern Trinity 4-H led the rabbit showmanship clinic.

Youth and adults had fun being the judge for broken open eggs, egg dozens, show and laying hens, closed eggs and chicken carcass entries. The favorite class was closed egg candling. Both members and guests enjoyed trying their hand at candling. The youth loved watching and judging the adults attempting chicken showmanship. One hen did go for a tour of the lawn area but was safely returned.

All youth members were very good at judging and none scored lower than a red ribbon. Youth judging scores were tallied against a judging score sheet, and Danish judging was used for the scoring where the participants are competing

against a standard instead of against other participants.

Informational posters on how to judge various poultry items and the importance of taking care of our animals were also on display.
